master your money workgroup

Are you ready to grow your business but feel like you're drowning in debt?

Do you have trouble with invoices and pricing?

Do you want to create a real financial plan and don't know where to start?

Do you wish you knew how to handle money?

You don't have to struggle alone! It's time to explore, understand, and improve your relationship with money. Financial Therapy Solutions is proud to announce the launch of our workgroup Master Your Money, designed to help entrepreneurs and small business owners like you:

- make a plan to get out of debt
- grow your business
- understand your money mindset

If you're ready to take the first step towards reaching your full potential as a business owner, consider joining my Master Your Money workgroup, beginning in October 2021. This six-month program involves one 90-minute session per month with expert guidance and one-on-one help. Plus, you'll be working with a supportive group of entrepreneurs like yourself, all using your newfound knowledge and tools to bring about real change.

"Wendy helped me look critically at my relationship with money so I could overcome limiting beliefs. She also helped me get more comfortable talking about money because she's so open about it. I've actually had people tell me I'm easy to talk to about project rates and fees - that's thanks to Wendy!"
